National Federation of the Blind of Colorado

6 Dot Dash

June 24, 2018

On behalf of the National Federation of the Blind of Colorado (NFBCO), headquartered with the Colorado Center for the Blind in Littleton, I would like to invite you to become a sponsor of the 6 Dot Dash. The 6 Dot is a 5k race to promote Braille Literacy. We expect the 6 Dot Dash to grow into a landmark community event, raising awareness and resources that allow us to help blind people live full, productive, and independent lives. We anticipate participation from business and civic leaders as well as community members for this year's event.

The race will begin at the Colorado Center for the Blind, the flagship program of the National Federation of the Blind of Colorado. The Colorado Center for the Blind provides world-class adjustment to blindness training to individuals from across the United States. We will offer tours of the Colorado Center for the Blind before and after the race. The course will continue through lovely downtown Littleton to the Mary Carter Greenway and will end at the Colorado Center for the Blind where participants will have the opportunity to enjoy an exciting expo that provides fantastic resources, food, free samples, and family fun. Participants will also have the opportunity to judge our blind beer tasting.

This is a great opportunity to show your support for the National Federation of the Blind and your pride in the Littleton community. Our team would love to meet with you to discuss ways that you can become involved! Please contact Kevan Worley at Kevan@wefitwellness.com, 303-929-2369 or Dan Burke, dburke@cocenter.org, 303-778-1130 for more information. Thank you for your time and consideration.

Yours in Health
