

## Littleton Business Recovery Grant Allocation Details

Applicants were awarded points based on their level of economic injury (revenue loss) and the percentage of their economic injury unfunded by prior federal, state, county, and local grants.

Average Economic Injury: \$236,933

- Applicants with an economic injury below \$236,933 were awarded 1 point. Applicants with an economic injury above \$236,933 were awarded 2 points.

Percentage of economic injury unfunded:

Percentage Unfunded	Points
0.00%-10.00%	1
10.00%-20.00%	2
20.00%-30.00%	3
30.00%-40.00%	4
40.00%-50.00%	5
50.00%-60.00%	6
60.00%-70.00%	7
70.00%-80.00%	8
80.00%-90.00%	9
90.00%-100.00%	10

Total points were calculated using a weighted average. **Level of economic injury** was given a 20% weight and the **percentage of economic injury unfunded** was given an 80% weight.

Formula: (Average Economic Injury Points \* 20%) + (Percentage of Economic Injury Unfunded Points \* 80%) = Total Points

Applicants will be allocated funds in order of total points (largest to smallest) until the threshold of \$375,000 is reached.
